PROFILE

Currently pursuing a BICT (Hons) degree at the South Eastern University of Sri Lanka with a strong focus on network infrastructure, cybersecurity, and cloud computing. Skilled in working with Cisco networking technologies, AWS cloud environments, and cyber threat management to build secure, scalable solutions. Driven to leverage technical expertise in networking and system security to optimize IT operations and deliver innovative results.

EDUCATION

Bachelor of Information and Communication Technology Honours – BICT (Hons)

- **Specialization:** Network Technology (Undergraduate)
- **Institution:** Department of ICT, Faculty of Technology, South Eastern University of Sri Lanka

TECHNICAL SKILLS

- **Network Design & Troubleshooting:** Proficient in configuring and troubleshooting LAN/WAN, Subnetting, VLAN Management, VTP, STP, DHCP, ACLs, NAT, and dynamic routing protocols (RIPv2, OSPFv2, EIGRP) using Cisco networking technologies.

- **Network Implementation & Security:** Hands-on experience in designing and deploying Small Office/Home Office (SOHO) LAN environments, complemented by foundational knowledge in Cyber Threat Management and network security.

- **Cloud & Containerization:** Practical experience deploying scalable applications on AWS, Firebase, and Netlify, with foundational knowledge of Docker (Dockerfiles, images, and containers).

- **Linux System Administration:** Intermediate proficiency in Linux environments, including file system navigation, user/permission management, and Bash shell scripting.

- **Programming & Problem Solving:** Solid programming skills in Python and Java (including JavaFX), with a strong grasp of Data Structures and Algorithms, modular functions, and file handling.

- **Full-Stack Web Development:** Experienced in building responsive web applications using modern technologies including React, Next.js, and Node.js, integrated with SQL and MongoDB databases.
- **Version Control & Collaboration:** Skilled in managing codebases using Git and GitHub, including branching strategies, pull requests, and collaborative workflows.

SOFT SKILLS

- Effective Communication
- Problem-Solving and Analytical Thinking
- Quick and Self-Learner
- Time Management
- Focused Working
- Teamwork and Collaboration
- Leadership

CERTIFICATIONS & COURSES

- CCNA: Introduction to Networks (Cisco)
- Cyber Threat Management (Cisco)
- Introduction to Cybersecurity (Cisco)
- AWS Launchpad: From Zero to Certified Cloud Professional (AWS Student Builder Group)
- Critical Thinking in the AI Era (HP LIFE)
- Professional Networking for Career Growth (HP LIFE)

EXTRA-CURRICULAR ACTIVITIES & VOLUNTEERING

- Member of AWS Student Builder Group at South Eastern University of Sri Lanka.
- Captain of the University Volleyball Team at South Eastern University of Sri Lanka.

INTERESTS

- Windows administration and domain management.
- Linux-based systems and cloud computing.

PERSONAL DETAILS

- **Full Name:** Matiwala Gedara Kasun Sampath Weerasinghe
- **Date of Birth:** 16 / 07 / 2003
- **Gender:** Male
- **Marital Status:** Unmarried
- **Nationality:** Sri Lankan
